TABLE OF CONTENTS

National Startup Awards 2020

Introduction to National Startup Awards

'Startup India' is a flagship initiative aims to build a strong eco-system for nurturing innovation and Startups in the country that will drive sustainable economic growth and generate large scale employment opportunities. Startup India Action Plan comprises of 19 specific action items spanning across areas such as "Simplification and handholding", "Funding support and incentives" and "Industry-academia partnership and incubation". Substantial progress has been achieved not only on the Action Plan, but on many other initiatives beyond the Action Plan that have been undertaken for development of overall growth of Startup movement in the country.

Actions taken so far have resulted into a culture of innovation and entrepreneurship take firm roots across the length and breadth of the country. The results are visible across all fields of human endeavour and all sectors of economy. The National Startup Awards have been conceptualized to further strengthen the startup ecosystem in the country.

The National Startup Awards seek to recognize and reward outstanding startups and ecosystem enablers that are building innovative products or solutions and scalable enterprises, with high potential of employment generation or wealth creation, demonstrating measurable social impact. The measure of success will not only be the financial gains for the investors but also the contribution to the social good.

The Awards will recognize exceptional start-ups across various categories that are:

- Providing innovative solutions to solve real problems and challenges for India
- Developing innovative technologies, products and solutions from India to the world
- Building businesses that are scalable, sustainable and responsible
- Delivering measurable developmental gains.

Incubators play a vital role in nurturing the aspiring entrepreneurs and providing them valuable resources, mentoring and capacity building in the initial stages of their entrepreneurial journey. They are critical in transforming ideas to successful businesses. Similarly, Accelerators assist growth stage startups scale up efficiently. The National Startup Awards will also reward exceptional Incubators and Accelerators, as they are key building blocks of a robust startup ecosystem.

The recognised entities will benefit from such recognition, not only in terms of being able to attract more business, financing, partnerships and talent, but also enable them to serve

as a role model for other entities, and to inspire them to be purposeful and responsible about their socio-economic impact.
