VANICOM

Department of Commerce, Pondicherry University is back with their annual fest VANICOM 2k18, bigger and better than ever before. VANICOM was started by Department of Commerce, Pondicherry University in the year 2016 with a vision to provide college students all over the country to come together and compete against each other to hone their skills and showcase their talents. With each passing year the number of students taking part in this annual cultural and Commerce youth fest is on the rise which means more fun and more energy all around. With this in mind we would like to make the fest a place where students from all walks of life can come together and unleash their creative horses. Now in its third year, VANICOM promises to be bigger and better with participation from around 100 colleges from all over the India.
